

ICT FOR **PRIMARY & SECONDARY TEACHERS** EDUCATION

Get your **FREE ENTRY** in the ICT for Education **On-line Product Guide**

ICT for Education has become recognised as the leading ICT focused magazine for teachers in primary and secondary schools.

With the implementation and production of ICT content, products and services set to rapidly increase, there has never been a greater need for information on what products and services are available.

To help fill this information need **ICT for Education** is providing an Online Directory to Products and Services.

Published on www.ictforeducation.co.uk, the directory will contain listings of relevant companies together with

information on what they have to offer the ICT buyer. It will cover the full range of products from whiteboards to bespoke content, from networking technology to portable hand held technology and everything in between.

A **basic entry** to the guide is offered **free of charge** to all companies and organisations offering an ICT product or service to primary and secondary schools.

To get your company listed on the **Online Directory**, please fill out the form below stating your product areas and email to karenburgess@btconnect.com, fax to **01983 568844**, or post to **ICT Online Company Directory, Lima Publishing Limited, 11 Hall Farm Cottages, Church End, Weston Colville Cambs CB21 5PE**
