

The logo is contained within a black speech bubble with a green-to-yellow gradient top bar. The text 'ICT' is in large white letters, 'for Education' is in green, and 'Trusted by Teachers' is in blue. A small green callout bubble at the bottom right of the main bubble contains the text 'Since 2012'.

# Promoting Computer Science in Schools Since 2012

**ICT**  
for Education  
Trusted by Teachers

Since 2012

Our journey has included over 100 inspiring conferences, influencing teaching and ICT use across the school curriculum. The seminar series compliments and reinforces our conference programme. We invite you to join us in our ongoing mission to equip teachers and students for their future and that of education.

## Recent University Venues Include

## Seminar Sponsors Include

“The ICT for Education events have been a highlight of my calendar for a number of years now, as these have provided a brilliant opportunity to engage with teachers and the ed tech industry.”

Prof. Miles Berry | Professor of Computing Education  
University of Roehampton
